**Explanatory Statement to Special Business
Alteration of Capital Clause, MoA of
Authorized Share Capital of the Company
from ₹750.00 crore to ₹765.00 crore**

Item No. 3 to Special Business:

Alteration of Authorised Capital Clause VIII of Memorandum of Association of the Company from ₹750.00 crore to ₹765.00 crore:

The Department Expenditure, Ministry of Finance vide its OM No. 41(06)/PFC-II/2018-Vol.1 dated 14th December, 2022 has approved additional investment in the form of equity by Ministry of Tribal Affairs to the tune of ₹15.00 crore to the Corporation. As recommended by the Standing Finance Committee (SFC) in its meeting held on 17.08.2023, ₹15 crore has also been released to the Corporation as Share Capital Contribution by the Central Government.

As the entire Authorised Share Capital of ₹750 crore has been exhausted and now the paid up share capital is stood as ₹750 crore, hence the Authorised Share Capital is required to be increased to the extent of ₹15 crore for making further allotment of share in the name of President of India. The Board, in its 94th Meeting, held on 29.08.2023 has accorded its approval for amending the Capital Clause of the Memorandum of Association and Authorisation for taking necessary action as may be required in this regard.

As per provisions of the Companies Act, 2013, in order to enhance authorized share capital, capital clause of MOA required to be altered through the approval of the shareholders by way of special resolution.

Hence, the matter is placed for the approval of the shareholders for passing special resolution.

ANNEXURE

CERTIFICATE ON COMPLIANCE OF CONDITIONS OF CORPORATE GOVERNANCE

The Members,
**National Scheduled Tribes Finance and
Development Corporation**

We have examined the compliance of the Corporate Governance by National Scheduled Tribes Finance and Development Corporation ('the company') for the year ended 31.03.2023 as stipulated in the revised guidelines of Corporate Governance for CPSEs issued by DPE vide its order dated 14.05.2010.

The compliance of conditions of Corporate Governance is the responsibility of Management. Our examination was carried out in accordance with the provisions of guidelines of DPE and limited to a review of procedures and implementation thereof, adopted by the Company, for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of an opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to explanation given to us, we certified that the Company has complied with the conditions of Corporate Governance as stipulated in the Guidelines of DPE except the provisions regarding creation of post of functional Director and maintaining gap between first and fourth quarter of the financial year 2022-23. During the year, four Board Meetings were held on 23.06.2022, 25.08.2022, 27.10.2022 and 23.02.2023. Further, as on date the Audit Committee consists of two members and one post i.e. Director representing State Channelising Agency of the Corporation is lying vacant. Two meetings of the Audit Committee were held during the financial year 2022-23 on 23.06.2022 and 27.10.2022 whereas the minutes of the Audit Committee Meeting held on 27.10.2022 were placed in Board Meeting held on 26.06.2023.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

Notes to Accounts

Note 1: Corporate Information

The National Scheduled Tribes Finance and Development Corporation (NSTFDC) is a company registered under Section 25 of the Companies Act, 1956 (now Section 8 of the Companies Act, 2013) on 10.04.2001 domiciled and was incorporated in India. This Corporation was incorporated as a Govt. Company under the Ministry of Tribal Affairs (MoTA) exclusively for economic development of Scheduled Tribes. The Corporation plays a leading role in economic upliftment of Scheduled Tribes by providing financial assistance at concessional rates of interest through channelizing agencies. The registered address of the company is NBCC Tower, Plot No. 15, 5th Floor, Hall No-1, Bhikaiji Cama Place, New Delhi-110066.

Note 2: Accounting Policies

a) Statement of Compliance

The financial statements as at and for year ended March 31, 2023 have been prepared in accordance with Indian Accounting Standards (Ind-AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time.

b) Basis of preparation

The financial statements have been prepared under the historical cost convention and on an accrual basis, except for the following item that have been measured at fair value as required by relevant Ind-AS.

- i. Defined benefit Plan and other long term employee benefits.
- ii. Certain financial assets and liabilities measured at fair value.

c) Use of estimates

The preparation of financial statements in conformity with Ind-AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, disclosure of contingent assets and liabilities at the date of financial statements and the reported amount of income and expenses. Examples of such estimates include, allowance for doubtful loans & advances, future obligations under employee retirement benefit plans and estimated useful life of property, plant and equipment, provisions & contingent liabilities actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on a periodic basis. Future results could differ due to changes in these estimates and difference between the actual result and the estimates are recognised in the period in which the results are known/materialized.

d) All financial information presented in Indian rupees and all values are rounded to the nearest lakh rupees with two decimal points except where otherwise stated.

e) Statement of Cash Flow

Cash flows are reported using the indirect

method, whereby excess of income (deficit) over expenditure before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

Effective April 1, 2017, the company adopted the amendment to Ind-AS 7, which require the entities to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the Balance Sheet for liabilities arising from financing activities, to meet the disclosure requirement.

f) Foreign Currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates (i.e. Functional Currency). The financial statements are presented in Indian rupees, which is the company's functional and presentation currency. Income and expenses in foreign currencies are recorded at exchange rates prevailing on the date of the transaction. Foreign currency monetary assets and liabilities are translated at the exchange rate prevailing on the balance sheet date and exchange gains and losses arising on settlement and restatement are recognised in the statement of income & expenditure.

g) Revenue recognition

The Company Recognizes revenue from contracts with customers based on a five-step as set out in Ind AS-115:

- (i) Identify contracts with a customer: A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria for every contract that must be met.
- (ii) Identify performance obligations in the contract: A performance obligation is a promise in a contract with a customer to transfer a good or service to the customer.
- (iii) Determine the transaction price: The transaction price is the amount of consideration to which the corporation expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.
- (iv) Allocate the transaction price to the performance obligations in the contract: For a contract that has more than one performance obligation, the Corporation allocates the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the Corporation expects to be entitled in exchange for satisfying each performance obligation.
- (v) Recognise revenue when or as the Corporation satisfies a performance obligation by transferring a promised

goods or services to a customer. An asset is transferred when the customer obtains control of that asset.

The Company provides Loans through Channelizing Agencies and interest is generally charged from the Channelizing Agencies in the range of 2% to 8% p.a.

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured and there exists reasonable certainty of its recovery.

Interest income on loans given (financial assets) made is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable, using Effective Interest Rate method.

Interest income on doubtful loans and interest receivables (financial assets) is recognized as income in the Income and Expenditure Statement on accrual basis provided there is no uncertainty towards its realization or on realization.

Interest incomes on FDR's and Bank/other deposits are recognized on a time proportion basis taking into account the amount outstanding and the interest rate applicable using Effective Interest Rate Method.

h) Income taxes

The Income of the Company is exempted from tax under section 10(26B) of the Income Tax Act, 1961. Thus no income tax provision is required. Consequently the provisions of Ind AS-12 of the "Accounting for Income Taxes" is not applicable.

i) Property, plant and equipment

Property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. Cost of asset includes the following:

- i. Cost directly attributable to the acquisition of the assets
- ii. Present value of the estimated costs of dismantling & removing the items & restoring the site on which it is located if recognition criteria are met.

Cost of replacement, major inspection, repair of significant parts and borrowing costs for long-term construction projects are capitalised if the recognition criteria are met.

Upon sale of assets cost and accumulated depreciation are eliminated from the financial statements and the resultant gains or losses are recognized in the statement of income & expenditure.

Amounts paid towards the acquisition of property, plant and equipment outstanding as of each reporting date and the cost of property, plant and equipment not ready for intended use before such date are disclosed under capital work-in-progress.

Depreciation is provided for property, plant and equipment on written down value method over their estimated useful life of assets as prescribed in schedule II of the companies act 2013. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimates accounted for on a prospective basis."

The estimated useful lives are as mentioned below :

Category of Assets Useful Life (years)

Particulars	Useful Life (years)
Building	60
Air Conditioners	5
Computer & Peripherals	3
Computer Networking	6
Fixture & fittings	10
Furniture	10
Office Equipment	5
Vehicles	8

Each part of an item of Property, Plant and Equipment is depreciated separately if the cost of part is significant in relation to the total cost of the item and useful life of that part is different from the useful life of remaining asset.

The residual value of the assets is taken as 5% of the cost of assets.

Depreciation is not recorded on capital work-in-progress until construction and installation are complete and the asset is ready for its intended use.

Depreciation methods, useful lives and residual values are reviewed at each reporting date.

j) Intangible assets

Intangible assets are recognized when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Intangible assets are stated at historical cost less accumulated amortization and impairment loss, if any. Intangible assets are amortised on a straight line basis over their

estimated useful lives from the date that they are available for use, on pro-rata basis. The amortisation period and the amortisation method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortisation period is changed accordingly.

Estimated useful life of intangible assets are as follows:

- Software 3 years
- Others (Website/portal) 10 years

Intangible assets not ready for the intended use on the date of the Balance Sheet are disclosed as “intangible assets under development”

k) Leases

The Company has applied Ind AS 116 using the modified retrospective approach with effect from 1 April, 2019.

i. As a lessee

At commencement or on modification of a contract that contains a lease component, the Company allocates the consideration in the contract to each lease component on the basis of its relative stand-alone prices. However, for the leases of property, the Company has elected not to separate non-lease components and account for the lease and non-lease components as a single lease component.

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount

of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term as follows : Vehicle-6 years. If the lease transfers ownership of the underlying asset to the Company by the end of the lease term or the cost of the right-of-use asset reflects that the Company will exercise a purchase option, in that case the right-of-use asset will be depreciated over the useful life of the underlying asset, which is determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate.

Lease payments included in the measurement

of the lease liability comprise the following:

- fixed payments, including in-substance fixed payments;
- variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date;
- amounts expected to be payable under a residual value guarantee; and
- the exercise price under a purchase option that the Company is reasonably certain to exercise, lease payments in an optional renewal period if the Company is reasonably certain to exercise an extension option, and penalties for early termination of a lease unless the Company is reasonably certain not to terminate early.

The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, if the Company changes its assessment of whether it will exercise a purchase, extension or termination option or if there is a revised in-substance fixed lease payment.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in Income and expenditure statement if the carrying amount of the right-of-use asset has been reduced to zero.

On the statement of financial position, right-of-use assets have been included in property, plant and equipment and lease liabilities have been disclosed separately in the statement of financial position under Non current financial liabilities and current financial liabilities.

Short-term leases and leases of low-value assets

The Company has elected not to recognise right-of-use assets and lease liabilities for leases of low-value assets and short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). The Company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

ii. As a lessor

At inception or on modification of a contract that contains a lease component, the Company allocates the consideration in the contract to each lease component on the basis of their relative standalone prices.

When the Company acts as a lessor, it determines at lease inception whether each lease is a finance lease or an operating lease.

To classify each lease, the Company makes an overall assessment of whether the lease transfers substantially all of the risks and rewards incidental to ownership of the underlying asset. If this is the case, then the lease is a finance lease; if not, then it is an operating lease. As part of this assessment, the

Company considers certain indicators such as whether the lease is for the major part of the economic life of the asset.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sub-lease separately. It assesses the lease classification of a sub-lease with reference to the right-of-use asset arising from the head lease, not with reference to the underlying asset. If a head lease is a short-term lease to which the Company applies the exemption described above, then it classifies the sub-lease as an operating lease.

If an arrangement contains lease and non-lease components, then the Company applies Ind AS 115 to allocate the consideration in the contract.

The Company applies the derecognition and impairment requirements in Ind AS 109 to the net investment in the lease. The Company further regularly reviews estimated unguaranteed residual values used in calculating the gross investment in the lease.

The Company recognises lease payments received under operating leases as income on a straightline basis over the lease term as part of 'other revenue/income'.

Generally, the accounting policies applicable to the Company as a lessor in the comparative period were not different from Ind AS 116 except for the classification of the sub-lease entered into during current reporting period that resulted in a finance lease classification.

l) Impairment

(i) Impairment of Financial Assets

The company assesses at each date of balance sheet whether a financial asset is impaired. Ind AS-109 requires expected credit losses (ECL) to be measured through a loss allowance.

For all Financial Assets other than contract assets/ Trade receivables, expected credit losses are to be measured at an amount equal to 12 months expected credit losses or at an amount equal to the life time's ECL if credit risk on the financial asset has incurred significantly since its initial recognition.

ECL's impairment loss allowance (or reversal) recognised during the period as income/ expense in statement of income & expenditure.

(ii) Impairment of Non-Financial Assets

Property, plant and equipment and intangible assets are/is treated as impaired when the carrying cost of assets exceeds its recoverable value and impairment loss is charged to the statement of income & expenditure in the year in which an asset is identified as impaired. At each reporting date company assesses the estimate amount of impairment loss. The impairment loss recognized in prior accounting periods is reversed if there has been a change in the estimate of recoverable amount and such losses either no longer exists or has decreased. Reversal of impaired loss is recognized in the statement of income & expenditure.

m) Employee Benefits

(i) Short Term Employee Benefits

Short-term employee benefits including salaries, short term compensated absences (such as a paid annual leave) where the absences are expected to occur within twelve months after the end of the period in which the employees render the related service, profit sharing and bonuses payable within twelve months after the end of the period in which the employees render the related services and non-monetary benefits for current employees are estimated and measured on an undiscounted basis.

Provision for Performance Related Pay is made taking into account guidelines of DPE issued vide OM dated 03.08.2017 which, inter alia, include the parameters of basic pay drawn by the employees, projected MoU rating of the Company, average Annual Performance Appraisal Rating of the employees and grade ceiling applicable to employees. This provision is further subject to the overall ceiling of 5% of the excess of income over expenditure as prescribed by the DPE.

(ii) Post-Employment Benefits

(a) Defined contribution plans

Provident Fund

The Company contributes to the Employees' Provident Fund maintained under the Employees' Provident Fund and Miscellaneous Provisions Act, 1952 and the same is charged to the Income and Expenditure Statement.

The Company has formed a Trust deed for administration of Employees Group Gratuity Scheme with LIC of India with whom the Company has entered into an arrangement. Any shortfall/ excess based on independent Actuarial valuation as per Ind-AS 19 "Employee Benefits" is accounted for in the books of Account.

Post-Retirement Medical Benefits (PRMB)

The Company has Post Retirement Medical Benefit (PRMB) Scheme, under which retired

employees and their dependent family members are provided with medical facilities. They can also avail facility of out-patient treatment; both are subject to ceiling fixed by the Company. The provision for PRMB has been made as per actuarial valuation.

Actuarial gains or losses are recognized in other comprehensive income.

Re-measurements recognised in other comprehensive income comprise of actuarial gains or losses that are not reclassified to statement of income & expenditure from other comprehensive income in subsequent periods.

(iii) Other Long term employee benefits

Long term compensated absences

The Company has a scheme of encashment of Earned leave encashed by the employees of the Company. The leave encashed by the employees during the year are accounted for as expenditure and for accumulated un-encashed leave and un-availed sick leave up to 300 days, necessary liability has been provided in the books of account, based on the valuation made by the independent actuary as per Ind-AS 19 "Employee Benefits". The Company has taken New Group Leave Encashment Plan from Life Insurance Corporation of India (LIC) for managing the fund and payment of leave encashment.

Actuarial gains or losses are recognized in other comprehensive income.

Re-measurements recognised in other comprehensive income comprise of actuarial

gains or losses that are not reclassified to statement of income & expenditure from other comprehensive income in subsequent periods.

n) Earnings per Share

In determining basic earnings per share, the company considers the excess of income over expenditure attributable to equity shareholders. The number of shares used in computing basic earnings per share is the weighted average number of shares outstanding during the period. In determining diluted earnings per share, the excess of income over expenditure attributable to equity shareholders and weighted average number of shares outstanding during the period are adjusted for the effect of all dilutive potential equity shares.

o) Provisions

Provision is recognised when:

- i) The Company has a present obligation as a result of a past event,
- ii) A probable outflow of resources is expected to settle the obligation and
- iii) A reliable estimate of the amount of the obligation can be made.

Timing or amount of the outflow may still be uncertain. Provisions are measured at the estimated expenditure required to settle the present obligation, based on the most reliable evidence available at the reporting date, including the risks and uncertainties associated

with the present obligation.

Provisions which are expected to be settled beyond 12 months are measured at the present value by using pre-tax discount rate that reflects the risks specific to the liability. The increase in the provision due to the passage of time is recognized as interest expenses.

Provisions are reviewed at each Balance Sheet date.

p) Contingent Liabilities and Contingent Assets

Contingent Liabilities are disclosed in either of the following cases:

- i. A present obligation arising from a past event, when it is not probable that an outflow of resources will be required to settle the obligation; or
- ii. A reliable estimate of the present obligation cannot be made; or
- iii. A possible obligation, unless the probability of outflow of resource is remote.

Contingent liabilities are not recognized but disclosed unless the contingency is remote.

Contingent assets are not recognized. However, when the inflow of economic benefits is probable, the related asset is disclosed. Contingent Liability and Provisions needed against Contingent Liability and Contingent Assets are

reviewed at each Reporting date. Contingent Liability is net of estimated provisions considering possible outflow on settlement.

q) Government Grants

Government grants are recognized where there is reasonable assurance that the grant will be received and all attached conditions will be complied with.

When the grant relates to an expense item, it is recognized in Income and expenditure statement on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. The interest income on balance of saving bank a/cs representing unspent amount of Grant-in-aid is credited to the respective deferred income-Government Grants-in-aid under the head "Other current liabilities" and is then transferred to Govt. of India.

Government grants relating to Property, Plant and Equipment, if any, are presented as deferred income and are credited to the Statement of Income and expenditure on a systematic and rational basis over the useful life of the asset.

The Corporation acts as a Central Nodal Agency for disbursement of grants under two schemes (TRI-ECE & VOs) of Ministry of Tribal Affairs, Govt. of India. The Corporation receives the amount of such grant in the separate bank maintained for such purpose and disburses them to eligible parties in accordance with the schemes/ sanction orders of the relevant grant. The undisbursed grant as at the year-end are

shown as a part of Financial Liabilities.

r) Cash and cash equivalent

Cash and cash equivalents comprise cash in hand and cash at bank (in current account and in deposit account having original maturity of less than or equal to three months) and short-term, highly liquid investments with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage. These exclude bank balances (including deposits) held as margin money or security against borrowings, guarantees etc. being not readily available for use by the Company.

s) Financial instruments:

Initial recognition and measurement

Financial Instruments recognized at its fair value plus or minus transaction costs that are directly attributable to the acquisition or issue of the financial instruments.

Financial Asset at Amortized Cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Financial assets measured at amortised cost using effective interest rate method less

impairment, if any. The effective interest rate (EIR) amortisation is included in finance income in the statement of income & expenditure.

Financial Assets at fair value through other comprehensive income (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the statement of income & expenditure. On de-recognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to statement of income & expenditure. Interest earned is recognised using the effective interest rate method (EIR).

Financial Assets at Fair value through Income & Expenditure Statement (FVTPL)

FVTPL is a residual category for financial Assets. Any financial assets, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the company may elect to designate financial asset, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. If doing so reduces or eliminates a measurement or recognition inconsistency.

Financial assets included within the FVTPL category are measured at fair value with all changes recognized in the statement of income & expenditure.

Financial liabilities at Amortised Cost

Financial liabilities at amortised cost represented by trade and other payables, security deposits and retention money are initially recognized at fair value, and subsequently carried at amortized cost using the effective interest rate method.

Financial liabilities at Fair Value through Income & Expenditure Statement (FVTPL) The company has not designated any financial liabilities at FVTPL.

De-recognition

Financial Asset

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is derecognized only when the contractual rights to the cash flows from the asset expires or it transfers the financial assets and substantially all risks and rewards of the ownership of the asset.

Financial Liability

A financial liability is derecognised when the obligation under the liability is discharged or

cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a de-recognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in the statement of income & expenditure.

t) Fair Value Measurement

Company measures financial instruments at fair value at each reporting date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible to the company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing

the use of relevant observable inputs and minimizing the use of unobservable inputs.

Assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

At the reporting date, the Company analyses the movements in the values of assets and liabilities which are required to be re-measured or re-assessed as per the accounting policies. For this analysis, the Company verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant

documents. The Company also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

u) Special Reserve

The Company has discontinued transfer of 10% of yearly surplus (the excess of income over expenditure for the year) to "Special Reserve" in accordance with its resolution of the Board of Directors passed on 24th March, 2021. Further and in terms the said resolution, the separate earmarked fund of ₹500 lakhs has been created from Special Reserve in the form of fixed deposit with nationalised bank and the balance amount of ₹2277.15 lakhs has been transferred back to the General reserve for the financial

year 2020-21. Earlier, the Company as per its then policy, used to transfer 10% of yearly surplus to the Special Reserve. The said Special Reserve is made for investment in building and to meet the contingencies and other unforeseen eventualities. The interest income generated on such Fixed Deposit is also transferred/ credited to the said special reserve fund.

v) Material prior period errors

Material prior period errors are corrected retrospectively by restating the comparative amounts for the prior periods presented in which the error occurred. If the error occurred before the earliest period presented, the opening balances of assets, liabilities and equity for the earliest period presented, are restated. The Company has fixed a level of materiality at ₹ 10 lakhs from Financial year 2021-22 and onwards, whereas for the year 2020-21, it was 5% of the Revenue from operation.

(iii) Financial Risk Management

The Company's principal financial liabilities comprise other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include Loans to channelizing agencies like SCAs, PSU banks & RRBs that derive directly from its equity. The loans to SCAs are disbursed against State Govt. Guarantee.

The Company is required to expose market risk, credit risk and liquidity risk. The Company's financial risk activities are governed by appropriate policies and procedures and those financial risks are identified, measured and managed in accordance with the companies policies and risk objectives. The Board of Directors review and agree on policies for managing each of these risk, which are summarised below:

a) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instruments will fluctuate because of changes in market prices. Market risk comprises interest rate risk. Financial instruments affected by market risk includes loan and advances, deposits and other non derivative financial instruments.

b) Interest Rate Risk

Interest rate risk is the risk that the fair value of future cash flows of a financial instruments will fluctuate because of change in market interest rate. The Company is not exposed to interest rate risk.

c) Credit Risk

Credit risk is the risk of financial loss to the Company if a counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the

Company's loans receivables from channelizing agencies. The Company is exposed to credit risk from its financial activities of loans given to channelizing agencies.

The Company assesses and manages credit risk based on Company's internal policies. The Company considers the probability of default upon initial recognition of assets and whether there has been a significant increase in credit risk on an ongoing basis through out each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. It considers available reasonable and supportive forward looking

information. Especially the following indicators are incorporated:

- Significant changes in the value of collateral supporting the obligation or in the quality of third party guarantees.
- Significant changes in the expected performance and behaviour of the borrower (Channelizing Agencies), including changes in the payments status of the borrowers (Channelizing Agencies).

In general, it is presumed that the credit risk has significantly increased since initial recognition if the payments are due for more than 5 years.

A default on a financial asset is when the counterparty fails to make payments whenever they fall due.

Financial instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed in accordance with the Company's policy. Investment of surplus are made only with Scheduled Banks.

d) Liquidity Risk

Ultimate responsibility for liquidity risk management rest with the Board of Directors. The Company manages maintaining adequate banking facilities by continuously monitoring forecast and actual cash flows and by matching the maturities of financial liabilities.

The table below details changes in the Company's liabilities arising from financing activities, including both cash and non-cash changes. Liabilities arising from financing activities are those for which cash flows were, or future cash flows will be, classified in the Company's Statement of cash flows as cash flows from financing activities.

Note 29:

Key sources of estimation uncertainty

The followings are the key assumptions concerning the future, and the key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities with next financial year.

a) Useful lives of Property, Plant and Equipment and intangible assets

As described in Note 2 (i), Company has estimated the useful live of Property, Plant and Equipment and intangible Assets.

The financial impact of the above assessment may impact the depreciation and amortisation expenses in subsequent financial years.

b) Fair valuation measurement and valuation process

The fair values of financial assets and financial liabilities is measured the valuation techniques including including the DCF Model. The inputs to these method are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments. See Note 27 for further disclosures.

c) Expected credit loss

The Company uses a provision matrix to calculate ECLs for Loans. The provision matrix is initially based on the Company's historical observed default rates. The Company will calibrate the matrix to adjust the historical credit loss experience with forward-looking information. The amount of ECLs is sensitive to changes in circumstances and of forecast economic conditions.

d) Leases

Company uses its judgement in determining whether or not contract contains a lease, extension option of the lease agreement and termination option of the lease agreement will exercised or not. Further, Company uses estimation in calculating the appropriate discount rate to use and lease term of the leases.

e) Post-employment benefit plans

Employee benefit obligations are measured on the basis of actuarial assumptions which include mortality and withdrawal rates as well as assumptions concerning future developments in discount rates, the rate of salary increases and the inflation rate. The Company considers that the assumptions used to measure its obligations are appropriate and documented. However, any changes in these assumptions may have a material impact on the resulting calculations.

Leases

Leases Disclosures as per Ind As-116

a) Company as a Lessee

The Company as a lessee has entered into various lease contracts, which includes lease of Building and vehicles.

The Company has also entered into operating leases for office premises at Delhi and its Zonal offices at Guwahati, Bhubaneswar and Bhopal for a period from 2 to 3 years. These lease agreements may be terminated by giving 3 months notice in writing by either party and are usually renewable for further period on mutual

consent on mutually agreed terms. The Company has given interest free refundable security deposit in accordance with the agreed terms. Sub letting not permitted by these agreements. The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). The Company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

Information about leases for which the Company is a lessee is presented below:

Information regarding Micro, Small and Medium Enterprises has been determined to the extent such parties have been identified by the management based on information available with the Company regarding status of the suppliers as defined in that Act. This has been relied upon by the auditors.

Note 36:

DPE Guidelines on the Revision of Pay Scales (IDA Pattern) of employees (Executives and Non executives of NSTFDC w.e.f. 01.01.2017) include a provision for providing superannuation benefits upto 30% of Basic pay plus DA which include EPF, Gratuity, Pension and Post Superannuation medical facilities. As per the guidelines, the CPSEs are to make their own schemes in this regard. The Company has formulated its contributory pension & retirement medical scheme. The Pension & Gratuity funds are being managed by the trust and funded with LIC alongwith Superannuation medical fund. The superannuation medical scheme has been implemented by taking medical insurance policy from insurance company.

Note 37:

In accordance with the approval of the Board in its first Board Meeting, surplus un-disbursed funds available with the Company are placed periodically in short term deposits, taking into account the Government guidelines issued for the purpose and the income generated by this has been ploughed back into the schemes for the welfare of STs.

Note 38:

The Income of the Company is exempted from tax under section 10(26B) of the Income Tax Act, 1961. Thus no provision for income tax is required. Consequently the provision of Ind AS-12 "Income Taxes" is not applicable.

Note 39:

In the opinion of the management, assets other

than fixed assets, have a value on realisation in the ordinary course of business at least equal to the amount at which they are stated in the financial statements and all known liabilities have been provided for.

Note 56:

Standard/Amendments issued but not yet effective

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time on March 31, 2023. MCA amended the Companies

(Indian Accounting Standards) Amendment Rules, 2023 as below:

1. First-time Adoption of Indian Accounting Standards (Ind AS-101)
2. Share Based Payment (Ind AS-102)
3. Business Combinations (Ind AS-103)
4. Financial Instruments: Disclosures (Ind AS-107)
5. Financial Instruments (Ind AS-109)
6. Revenue from Contracts with Customers (Ind AS-115)
7. Presentation of Financial Statements (Ind AS-1)
8. Accounting Policies, Changes in Accounting Estimates and Errors (Ind AS-8)
9. Income Taxes (Ind AS-12)
10. Interim Financial Reporting (Ind AS-34)

Ind AS-1- Presentation of Financial Statements:

The amendments related to shifting of disclosure of erstwhile “significant accounting policies” to “material accounting policies” in the notes to the financial statements requiring companies to reframe their accounting policies to make them more “entity specific”. This amendment aligns with the “material” concept already required under International Financial Reporting Standards (IFRS). The Company does not expect this amendment to have any significant impact in its financial statements.

Ind AS 8- Accounting Policies, Changes in Accounting Estimates and Error:

This amendment has introduced a definition of ‘accounting estimates’ and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company does not expect this amendment to have any significant impact in its Financial Statements.

Ind AS 12 - Income Taxes:

This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company does not expect this amendment to

have any significant impact in its Financial Statements.

Independent Auditors' Report

To The Members of National Scheduled Tribes Finance and Development Corporation

Report on the Audit of the Ind AS Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements of **National Scheduled Tribes Finance and Development Corporation** ("the Company"), which comprise the Balance Sheet as at 31st March, 2023, the Income and Expenditure Statement (including Other Comprehensive Income), the Cash Flow Statement, the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023 the excess of income over expenditure (including other total comprehensive income), its cash flows and changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and

we do not provide a separate opinion on these matters.

Reporting of key audit matters as per SA 701, Key Audit Matters are not applicable to the Company as it is an unlisted company.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibility of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including

the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. This report does not include a statement on the matters specified in the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013 ("the Act") as the said Order is not applicable to the Company, the Company being licensed to operate under erstwhile Section 25 of the Companies Act, 1956 (now Section 8 of the Companies Act, 2013).

 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Income and Expenditure including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) The Company, being a Government Company, the provisions 'whether any director is disqualified from being appointed as a director', under sub-section (2) of Section 164 of

the Companies Act, 2013, are not applicable in terms of Notification number G.S.R. 463(E) dated 5th June, 2015 read with notification number G.S.R. 582(E) dated 13th June 2017, issued by Ministry of Corporate Affairs, Government of India.

- f) The Company being a Government Company, the other matters to be included in the Auditor's Report in accordance with the requirements of section 197 (16) of the Act, as amended, in respect of whether the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act is not applicable vide notification number G.S.R. 463(E) dated 5th June, 2015 read with notification number G.S.R. 582(E) dated 13th June 2017.
- g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in **Annexure-A**. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The financial statement disclose the impact of pending litigation on financial position of the Company- Refer Note 32.1 to the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - (1) The Management has represented that, to the best of it's knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) / entity(ies), including foreign entities ('Intermediaries'), with the understanding, whether recorded in writing or otherwise, that the Intermediary has, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (2) The Management has represented that, to the best of it's knowledge and belief,

no funds have been received by the Company from any person(s) / entity(ies), including foreign entities, that the company has directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (3) Based on the audit procedures which we have considered reasonable and appropriate in the circumstances and according to the information and explanations provided to us by the Management in this regard, nothing has come to our notice that has caused us to believe that the representations made by the Management under sub-clause (i) and (ii) contain any material misstatement.

iv. The Company has neither declared nor paid any dividend during the year.

3. Our separate report on directions issued by the Comptroller and Auditor General of India under section 143(5) of the Companies Act, 2013 is attached as **Annexure-B**.

ANNEXURE A: TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE Ind AS FINANCIAL STATEMENTS AS OF AND FOR THE YEAR ENDED MARCH 31, 2023 OF NATIONAL SCHEDULED TRIBES FINANCE AND DEVELOPMENT CORPORATION

The Annexure referred to in paragraph 2(g) under the heading of "Report on Other Legal and Regulatory Requirement" of our report of even date.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **National Scheduled Tribes Finance and Development Corporation** ("the Company") as of March 31, 2023 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE B: COMPLIANCE OF DIRECTIONS/ SUB DIRECTION ISSUED BY PR. DIRECTOR OF COMMERCIAL AUDIT U/S 143(5) OF THE COMPANIES ACT, 2013

Our comments on the said directions are as under:

1. Whether the Company has system in place to process all the accounting transactions through IT system? If yes, the implications of processing of accounting transactions outside IT system on the integrity of the accounts along with the financial implications, if any, may be stated.

Comments: Yes, no accounting transactions are processed outside IT system, hence no financial implications. The financial accounting of the Company is done on Tally ERP software. The Loan accounting of the Company is done on customised Loan Accounting Software namely, Integrated Financial Management System (IFMS). As explained by the management, the figures from IFMS are reconciled with the Tally ERP software on a monthly basis.

2. Whether there is any restructuring of an existing loan or cases of waiver/ write off of debts/ loans/ interest etc. made by a lender to the Company due to the Company's inability to repay the loan? If yes, the financial impact may be stated. Whether such cases are properly accounted for? (In case, lender is a Government company, then this direction is also applicable for statutory auditor of lender company).

Comments: No such case. During the year under audit, there was no cases of restructuring of an existing loan or waiver/ write off of debts/loan/interest made by a lender to the Company due to the Company's inability to repay the loan.

3. Whether funds (Grants/ subsidy etc.) received/ receivable for specific schemes from central/ state agencies were properly accounted for/ utilized as per its terms and conditions? List the cases of deviation.

Comments: Yes

APPENDIX-E

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(B) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL STATEMENTS OF NATIONAL SCHEDULED TRIBES FINANCE AND DEVELOPMENT CORPORATION (NSTFDC) FOR THE YEAR ENDED 31 MARCH, 2023

The preparation of financial statement of **National Scheduled Tribes Finance and Development Corporation (NSTFDC)** for the year ended 31 March 2023 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the company. The statutory auditor appointed by the Comptroller and Auditor General of India under section 139(5) of the Act is responsible for expressing opinion on the financial statements under section 143 of the Act based on an independent audit in accordance with the standards on auditing prescribed under section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 26.06.2023.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the financial statements of **National Scheduled Tribes Finance and Development Corporation** for the year ended 31st March 2023 under section 143(6)(a) of the Act. This supplementary audit has been carried out independently without access to the working papers of the statutory auditors and is limited primarily to inquiries of the statutory auditors and company personnel and a selective examination of some of the accounting records.

On the basis of my supplementary audit nothing significant has come to my knowledge which would give rise to any comment upon or supplement to statutory auditors' report under section 143(6)(b) of the Act.
